What a wonderfully put together, correct female. Her sire RM Aussie Cowboy really needs no introduction. Her dam is Black N Blue, she is a big boned 1200 pounds of, you guessed it, black and blue. Didgeridoo's first calf has been retained as a herd sire being well past the 40" mark at 12 months. We like him so well we bred his dam to Sweetwater BCB again and have retained her heifer from this year. She is again bred back to Sweetwater BCB for
